

Shaun Wuschke is currently responsible for the operations and leasing of all Bentall Kennedy's commercial office and industrial portfolio in Alberta . His tenure started March 1999 when he joined Bentall as part of the acquisition of the Beutel Goodman Real Estate Group in 2002, and he has progressed to a number of key roles within the organization, culminating in a promotion and relocation from Calgary to Edmonton in 2006 to lead the Edmonton office. In 2016, Shaun's role was further elevated to lead the Calgary business unit, in addition to his responsibilities in Edmonton.

During his tenure at Bentall Kennedy Shaun has been involved directly with leasing and development functions, completing a number of significant transactions within the Alberta portfolio both in his previous role as Vice President, Leasing based out of Calgary and his current role as Vice President, Edmonton. Prior to joining Bentall, Shaun worked for the Oxford Suburban group responsible for leasing. Shaun is a graduate of The University of Regina (1986) with a Bachelor of Administration, specializing in Accounting/Finance
