

CODY CLAYTON

PRESIDENT

Cody is responsible for shaping the organization's direction and growth, while providing leadership across all facets of Remington's daily business operations. Cody works extensively with the real estate brokerage community and with Fortune 500 tenants and institutions to solve their real estate requirements. Prospects will find a range of satisfied clients who have benefited from Cody's market insight and his ability to bring action and results to a diverse mix of challenges. Cody's track record includes design build; suburban office; industrial; retail and land transactions. Cody has a unique ability to identify and secure new development opportunities that benefit a range of businesses, including local, national and international corporations.

KEY ACCOMPLISHMENTS
